Who We Are

We are an international group of Catholic Religious Sisters serving in 4 continents, desiring to centre ourselves in God, following Christ by dedicating ourselves in total abandonment to the proclamation of the Good News.

Pilgrimage@CHIJMES

The Infant Jesus Sisters would like to invite you to a spiritual journey at CHIJMES where Mother Mathilde and 3 sisters started education for girls in 1854. They also looked after hundreds of babies and children left at their gate (*The Gate of Hope*).

Join them on a spiritual pilgrimage to listen to how the Spirit kept the sisters and those who shared their mission alive till today. You will hear miracles and how "Simple in Virtue; Steadfast in Duty" is still their distinguishing hallmark of service.

13 Delegates attending General Chapter in Rome with Pope Francis

Our Founder - Blessed Nicolas Barre

A man of deep faith and contemplative vision, he founded the Infant Jesus Sisters to respond to the poor, in a spirit of abandonment and trusting in God's Providence.

Mother Mathilde Raclot

Responding to the call to start education for girls in the East, she left France with a few sisters on this mission. Her vision, faith, courage and endurance led her to set up a school for girls within ten days of her arrival in Singapore.

Prayer of Abandonment

Nicolas Barre Letter 12

LORD, I want nothing more, I desire nothing more, only to be ready to desire what you desire and as you desire it. It is enough for me that you hold me in your presence, that you take care of everything, that you watch over all my concerns, all that happens to me and that nothing escapes your adorable guidance of my life.

O Jesus! O Love! You are my God and my All, centre and unfathomable depth of goodness and greatness! May Jesus live and his will be done! There is nothing left for me to desire. Choose Lord, what you want of me. Order all things, plan and arrange all things in the way that pleases you, and I will try and make my desires and actions yours, to follow you in everything and everywhere, without reserve or limit.

Finally, Lord I want to belong totally to you, no more measuring or portioning out, neither in life nor in death, in sorrow or in joy, on earth or in heaven. My beloved is all mine and I am his forever.

O Jesus! O Love!

The Church is the people of God.

A Vocation to religious life is a gift from God to the Church and the community.

“The Institute has its origin in the very heart of God, who so loved the world that He gave His only Son to instruct all people and teach them the way to salvation so that those who believe in Him may have eternal life.”

The Institute of the Infant Jesus is essentially apostolic with the members living in community.

Come and see

Can I make a difference?

Yes I can!

Yes together we can!

Do I have the courage to “go and see” to experience something more?

The wonder of real discovery is not found in seeking answers and quick solutions.

Despite all the development in parts of our world, there is still much poverty, suffering, confusion, lack of education in a wide number of areas...

Is God calling me to make that difference?

Yes, I can make the difference and I can do something too!

*“You did not choose me but I chose you.
I appointed you to go and bear fruit,
fruit that will last.”* John 15:16 -17

THE DIFFERENT STAGES IN RELIGIOUS FORMATION

1. Aspirancy

A person may feel attracted to the Religious Life. She may have a sense of God’s call of which she is not too clear or sure about. It is at this stage that the Vocation Directress through personal accompaniment and reflection on self/work and life based on Gospel values helps the candidate to discern the ‘initial call’ and prepares her for Postulancy.

Provincialate : 4A Chestnut Drive, Singapore 679330.

Tel: 67602461

website: www.chij-sisters.org

2. Postulancy

A person wishing to join Religious Life should have a period of time to provide for gradual transition from secular to religious life as well as to allow for growth in mutual knowledge of the Institute and of the candidate before admission to the Novitiate.

3. Novitiate

The Novitiate is a time of initiation, probation and formation.

The period of initiation gives the person who wants to commit herself to Jesus Christ in the Institute, the opportunity of making the gift of the charism her own.

The period of probation helps her to discern if the way she is going to follow is really for her the call of God. The Institute also discerns if she is apt to live and work apostolically in the Institute.

The period of formation prepares her to follow Christ in a total gift of self, fully aware of the free choice she is making. This formation is achieved through information; interiorization/assimilation; transformation (heart, values and attitude).

The Novitiate ends with the incorporation of the novice to the Institute through the first vows.

4. Juniorate

The young professed Sister begins her Juniorate in a Community to which she is attached. She is being prepared to grow in human and spiritual maturity according to **the charism of the Institute** through an on-going process of discernment until the final incorporation in the profession of final vows to the particular way of life of the Sisters of the Infant Jesus – an integrated life: ministry, silence, solitude, prayer, community relationships, leisure and celebrations.

The Way Forward

Relying on the power of the Holy Spirit, we continue to LISTEN and be open to accepting new challenges in the way ahead. The General Chapter held in June - July 2019 sends us on a new path in our partnership with the laity.

In our journey with lay people, we discover together how God continues to draw us to live the charism.

We rejoice in the many ways lay people are drawn to our charism and spirituality. Journeying together on this path, we are called to formalise our partnerships with them.

Given the different realities in our provinces, vice-provinces and districts, we see three levels of affiliation in our IJ family:

IJ Friends / Partners in Mission are members of our IJ Board of Management, school leaders, staff, alumni, parents, IJ Ambassadors in our CHIJ Schools, the Infant Jesus Homes and Children's Centres (IJHCC) Management Committee, Managers and staff, benefactors, volunteers, well-wishers and those who support us in our respective ministries.

IJ Collaborators are

- ✚ Women and men called to live the Gospel values in the spirit and vision of Blessed Nicolas Barre.
- ✚ People drawn to the IJ Spirituality and IJ Mission.
- ✚ Catholics and people of other faiths
- ✚ People of integrity, financially independent and with the right disposition towards mission, focusing on those who are disadvantaged and at the margins of society.

The IJ Collaborators commit themselves to live the IJ Spirituality and Mission in their own lives, grow spiritually and promise to further the mission of the IJ Sisters through:

- ✚ Personal prayer and the [Prayer of Abandonment](#)
- ✚ Monthly prayer and reflection
- ✚ Annual retreat
- ✚ Bonding as a faith community
- ✚ Participating in the IJ Mission in all its expressions
- ✚ Participating in relevant local and Institute celebrations and events

The IJ Sisters will share with the Collaborators their...

- ✚ heritage,
- ✚ spirituality,
- ✚ mission and ministry, and
- ✚ prayerful support for spiritual growth

The Journey

of an IJ Collaborator begins with an inquiry stage, followed by discernment and then a request to become an IJ Collaborator after a period of formation.

Formation will include:

- ✚ An initiation into the spirituality of the Incarnation (IJ Spirituality)
- ✚ Deepening the understanding of the message of the Gospels
- ✚ A study of the life of Blessed Nicolas Barre, our Founder
- ✚ The history of the Institute
- ✚ Selected writings of our Founder
- ✚ Opportunities to experience Mission with the Sisters
- ✚ Understanding the beliefs of others

Commitment

Be willing to make a commitment annually to promote God's kingdom. [read the brochure](#)

IJ Collaborators advance to be IJ Associates when they decide to make a lifelong commitment.

IJ Associates are Catholics and who after a period of formation and discernment, officially make a life-long commitment to the Institute by making our spirituality and charism their way of life. They are received into the Institute publicly during a liturgical celebration in the Church.

The IJ Spirit lives on ... the Sisters with the Lay partners, Collaborators, Associates, ever seeking, ever serving, ever sacrificing ...

... to share the Good News ... that all peoples may come to know the love of God, revealed in Jesus Christ and to share His life to foster the growth of all peoples, both in their human and spiritual development.
