## Celebrating the Life of Blessed Nicolas Barre

### IJ Heritage – Living the Legacy of Fr Barre

Blessed Nicolas Barre was not just a French Minim monk of the mid-17<sup>th</sup> century who provided human and religious education for the young people of his time but he has a tremendous influence through the ages.

In Singapore, the eleven Convent of the Holy Infant Jesus Schools (CHIJ Schools), founded at different times by the Infant Jesus Sisters, deeply rooted in the charism and spirit imparted through the life and writings of Fr Barre, imbibe the same mission, values and motto but express their unique identity in different architectural designs and in the creative expressions of the school population.

The following pictures depict how each school expresses her reflections of the impact of our founder, Fr Barre.

### Prayer of an IJ girl (true blue)

O God, like Blessed Nicolas Barre, may I also believe that you truly love me. Help me dwell in the sunshine of your great love, O Lord, so that whatever I may go through in my life, studies, work and relationships, at home, in school and in society, I may have complete trust in your love and providence. Help me to hold firm to your unconditional and excessive love for me and grant me your peace as I face the challenges on my journey as a citizen of the world. Teach me to be generous in using my gifts, talents, expertise and experience in serving others especially the disadvantaged, the last, the least and the lost, without counting the cost. Help me always to respect the dignity of each person I encounter and to work for the common good. Amen
